Worker Compensation

What is Worker's Compensation Insurance? Worker's compensation insurance is a specific type of business insurance that provides benefits to employees who suffer work-related injuries or illnesses. This insurance can cover lost wages while they are out of work, medical expenses, and more. Worker's Compensation coverage can protect both the employer and the employee in the result of a work-related injury.

Am I required to have worker's compensation? No – if you employ less than four employees, then household employers may be exempt from this requirement. However, if you hire four or more employees, then you must provide worker's compensation. *Part time workers and family members are counted as employees.

If I have less than four employees and choose not to provide Worker's Compensation, will my employees still have this coverage? No – your employees will not be covered. You may become liable for lost wages, medical care, and more should an employee be injured while working. Your homeowner's insurance may or may not give you a small protection and this may be an additional coverage you have to purchase. You must contact your homeowner's insurance agent to determine this. This is not a substitute for a full worker's compensation insurance coverage.

If I choose or become required to provide worker's compensation coverage, where do I go to purchase workers' compensation insurance? Workers' compensation insurance coverage can be obtained via a commercial insurance carrier licensed to write workers' compensation insurance coverage in the state of South Carolina or via the state's assigned risk program, which is administered by the National Council on Compensation Insurance (NCCI).

Please note – The information provided by Morning Sun Financial Services in this document does not, and is not intended to, constitute legal advice; all information is for general informational purposes only. Morning Sun Financial Services encourages employers to seek legal counsel if they have additional questions regarding worker's compensation coverage.

General Employment Law Guidance

Employers are expected to independently research and follow federal and state employment laws when hiring, supervising, disciplining, and terminating employees. The information provided by Morning Sun Financial Services in this document does not, and is not intended to, constitute legal advice; all information is for general informational purposes only. Morning Sun Financial Services encourages employers to seek legal counsel if they have additional questions regarding employment law.

Hiring Employees

- Employers must not discriminate against advertising a job or hiring an employee based on that person's race, color, religion, sex (including gender identity, sexual orientation, and pregnancy), national origin, age (40 or older), disability or genetic information.
- Interview questions should be relevant to the job the employee is applying to, not an employee's personal traits or background.
- Correctly classify workers as employees and NOT independent contractors when they hire a worker.
- Only hire employees that are eligible to work in the United States. Employers are required to complete form I-9 to verify the employee's eligibility.

Supervising/Disciplining Employees

- It is illegal to discriminate against someone because of that person's race, color, religion, sex (including gender identity, sexual orientation, and pregnancy), national origin, age (40 or older), disability or genetic information. It is also illegal to retaliate against a person because he or she complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit. This includes using these traits when considering promotions, job assignments, and wages.
- Employees must legally be paid at least minimum wage. Employees must receive overtime pay for hours worked over 40 in a workweek at a rate not less than time and one-half their regular rates of pay.
- Employers should provide a safe work environment for employees. This includes a physical work environment free from serious recognized hazards, violence, and other dangerous conditions. This also includes providing employees a work environment free from unwelcome or offensive behavior in the workplace, which causes one or more employees to feel uncomfortable, scared, or intimidated in their place of employment.

Terminating Employees

- Employers and employees may terminate the employment relationship at any point for any reason and without warning as long as the reasoning is not illegal since South Carolina is an Employment at Will state. An employer may not terminate an employee based on a person's race, color, religion, sex (including gender identity, sexual orientation, and pregnancy), national origin, age (40 or older), disability or genetic information.
- Employers should notify their case manager and/or Morning Sun Financial Services immediately following an employment termination so that state law for the employee's final pay can be followed.

Instructions for SC2848

General Instructions

Purpose of Form

Use SC2848 to grant authority to an individual to represent you before the South Carolina Department of Revenue and to receive tax information. See the instructions for Part I, line 4 for limitations that may apply for certain representatives.

A fiduciary (trustee, executor, administrator, receiver, or guardian) stands in the position of a taxpayer and acts as the taxpayer. Therefore, a fiduciary does not act as a representative and should not file a power of attorney. If a fiduciary wishes to authorize an individual to represent or perform certain acts on behalf of the entity, a power of attorney must be filed and signed by the fiduciary acting in the position of the taxpayer.

Authority Granted

This power of attorney authorizes the individual(s) named to perform any and all acts you can perform, such as signing consents extending the time to assess tax, recording the interview, or executing waivers agreeing to a tax adjustment. However, authorizing someone as your power of attorney does not relieve you of your tax obligations. Delegating authority or substituting another representative must be specifically stated on line 4. However, the authority granted to a power of attorney may not exceed that allowed under SC Code Section 12-60-90. See South Carolina Revenue Procedures 92-4 and 92-6. The power to sign tax returns can only be granted in limited situations. See **Line 4 - Acts authorized** for more information.

Filing the Power of Attorney

File the original or a photocopy or facsimile transmission (fax) with the applicable office (main or taxpayer service center). The applicable office is the office from which you request information or before which a matter, such as an audit, is pending. Paper forms can be mailed to P.O. Box 125 Columbia, SC 29214-0400.

Substitute SC2848

Federal Form 2848 may be substituted for SC2848 even though the instructions for the two forms differ somewhat. Be sure to **note the differences** and complete the Federal Form 2848 accordingly.

Specific Instructions

Part I - Power of Attorney

Line 1 - Taxpayer Information

Individuals. Enter your name, SSN (and/or EIN, if applicable), and address in the space provided. If a joint return is involved, and you and your spouse are designating the same representative(s), also enter your spouse's name and SSN, and your spouse's address if different from yours.

Social Security Privacy Act

It is mandatory that you provide your social security number on this tax form. 42 U.S.C 405(c)(2)(C)(i) permits a state to use an individual's social security number as means of identification in administration of any tax. SC Regulation 117-201 mandates that any person required to make a return to the SC Department of Revenue shall provide identifying numbers, as prescribed, for securing proper identification. Your social security number is used for identification purposes.

Corporations, partnerships, or LLC's. Enter the name, EIN, and business address. If this form is being prepared for corporations filing a consolidated tax return (SC1120), do not attach a list of subsidiaries to this form. Only the parent corporation information is required on line 1. Also, line 3 should only list SC1120 in the Tax Form Number column. However, a subsidiary must file its own SC2848 for returns that are required to be filed separately from the consolidated return, such as ST-3.

Trust. Enter the name, title, and address of the trustee, and the name and EIN number of the trust.

Estate. Enter the name, title, and address of the decedent's executor/personal representative, and the name and identification number of the estate. The identification number for an estate includes both the EIN, if the estate has one, and the decedent's SSN.

Line 2 - Representative(s)

Enter the name of your representative(s). Only **individuals** may be named as representatives. Use the identical name on all submissions. If you want to name more than three representatives, indicate so on this line and attach a list of additional representatives to the form. **Be sure to sign and date all attachments.**

Line 3 - Tax Matters

You must enter the type of tax, the tax form number, and the year(s) or period(s) in order for the power of attorney to be valid. For example, you may list "income tax, SC1040" for calendar year "2016" and "Sales tax, ST-3" for the "1st, 2nd, 3rd, and 4th quarters of 2016." A general reference to "All years," "All periods," or "All taxes" is not acceptable. The department will not accept a power of attorney with a general reference.

You may list the current year/period and any tax years or periods that have already ended as of the date you sign the power of attorney. However, you may include on a power of attorney only future tax periods that end no later than 3 years after the power of attorney is received by the Department of Revenue. The 3 future periods are determined starting after December 31 of the year the power of attorney is received by the department. You must enter the type of tax, the tax form number, and the future year(s) or period(s).

Line 4 - Acts Authorized

If you want to modify the acts that your named representative(s) can perform, describe any specific additions or deletions in the space provided. The authority to substitute another representative or to delegate authority must be specifically stated on line 4.

Certain Limitations:

If any representative you name is someone other than an attorney, CPA or enrolled agent, the acts that person can perform on your behalf may be limited by SC Code Section 12-60-90. See South Carolina Revenue Procedures 92-4 and 92-6. However, these representatives will be permitted to extend the statutory period.

Line 5 - Receipt of Refund Checks

If you want to authorize your representative to receive, but not endorse refund checks on your behalf, you must initial and enter the name of that person in the space provided. Treasury Department Circular No. 230 (31 CFR, Part 10) prohibits an attorney, CPA, or enrolled agent, any of whom is an income tax return preparer, from endorsing or otherwise negotiating a tax refund check. If you are in a licensed attorney/client relationship, your refund may be sent to your licensed attorney.

Line 6 - Retention/Revocation of Prior Power(s) of Attorney

If there is any existing power(s) of attorney you do not want to revoke, check the box on this line and attach a copy of the power(s) of attorney. If you want to **revoke an existing power of attorney and do not want to name a new representative**, send a copy of the previously executed power of attorney to each office where the power of attorney was filed. The copy of the power of attorney must have a current signature of the taxpayer under the signature on line 8. Write "REVOKE" across the top of the form. If you do not have a copy of the power of attorney you want to revoke, send a statement of revocation to each office where you filed the power of attorney. The statement must indicate that the authority of the power of attorney is revoked and must be signed by the taxpayer. Also, the name and address of each recognized representative whose authority is revoked must be listed. **A representative can withdraw** from representation by filing a statement with each office where the power of attorney was filed. The statement must be signed by the representative and identify the name and address of the taxpayer(s) and tax matter(s) from which the representative is withdrawing.

Line 7 - Signature of Taxpayer(s)

Individuals. You must sign and date the power of attorney. If a joint return has been filed and both taxpayers will be represented by the same individual(s), both must sign the power of attorney unless one spouse authorizes the other, in writing, to sign for both. In that case, attach a copy of the authorization. However, if a joint return has been filed and both taxpayers will be represented by different individuals, each taxpayer must execute his or her own power of attorney on a separate SC2848.

Corporations or associations. An officer having authority to bind the taxpayer must sign.

Partnerships. All partners or members of an LLC must sign unless one partner or member is authorized to act in the name of the partnership. A partner is authorized to act in the name of the partnership if, under state law, the partner has authority to bind the partnership. A copy of such authorization must be attached. For purposes of executing SC2848, the tax matters partner is authorized to act in the name of the partnership. For dissolved partnerships, see US Treasury Regulations section 601.503(c)(6).

Other. If the taxpayer is a dissolved corporation, deceased, insolvent, or a person for whom or by whom a fiduciary (a trustee, guarantor, receiver, executor, or administrator) has been appointed, see US Treasury Regulations section 601.503(d).

PART II - Declaration of Representative

The representative(s) you name must sign and date this declaration and enter the designation (i.e., items **a-h**) under which he or she is authorized to practice before the South Carolina Department of Revenue. In addition, the representative(s) must list the following in the "Jurisdiction" column:

- a** Attorney - Enter the two-letter abbreviation for the state (e.g., "NY" for New York) in which admitted to practice.
- b** Certified Public Accountant - Enter the two-letter abbreviation for the state (e.g., "CA" for California) in which licensed to practice.
- c** Enrolled Agent - Enter the enrollment card number issued by the Director of Practice.
- d** Officer - Enter the title of the officer (i.e., President, Vice President, or Secretary).
- e** Full-Time Employee - Enter title or position (e.g., Comptroller or Accountant).
- f** Family Member - Enter the relationship to taxpayer (i.e., spouse, parent, child, brother, or sister).
- g** Tax Return Preparer - Enter the two-letter abbreviation for the state (e.g., "KY" for Kentucky) in which the return was prepared.
- h** Other - Enter professional title (e.g., real estate appraiser) or relationship to taxpayer (e.g., friend).

Note: If the representation is outside the United States, conditions a-h do not apply.
