 ▶ **Give Form W-4 to your employer.**
 ▶ **Your withholding is subject to review by the IRS.**

Step 1:
Enter
Personal
Information

(a) First name and middle initial	Last name	(b) Social security number
Address		▶ Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) ☐ Single or Married filing separately ☐ Married filing jointly or Qualifying widow(er) ☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, when to use the estimator at www.irs.gov/W4App, and privacy.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3-4); or
 (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below for roughly accurate withholding; or
 (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld ▶ ☐

TIP: To be accurate, submit a 2021 Form W-4 for all other jobs. If you (or your spouse) have self-employment income, including as an independent contractor, use the estimator.

Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

Step 3:
Claim
Dependents

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by \$2,000 ▶ \$ _____

Multiply the number of other dependents by \$500 ▶ \$ _____

Add the amounts above and enter the total here **3** \$ _____

Step 4
(optional):
Other
Adjustments

(a) **Other income (not from jobs).** If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income **4(a)** \$ _____

(b) **Deductions.** If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here **4(b)** \$ _____

(c) **Extra withholding.** Enter any additional tax you want withheld each pay period . . . **4(c)** \$ _____

Step 5:
Sign
Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2021 if you meet both of the following conditions: you had no federal income tax liability in 2020 **and** you expect to have no federal income tax liability in 2021. You had no federal income tax liability in 2020 if (1) your total tax on line 24 on your 2020 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2021 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2022.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include **other tax credits** in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2021 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
 - a** Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a **2a** \$ _____
 - b** Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b **2b** \$ _____
 - c** Add the amounts from lines 2a and 2b and enter the result on line 2c **2c** \$ _____
- 3** Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. **3** _____
- 4 Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) **4** \$ _____

Step 4(b)—Deductions Worksheet (Keep for your records.)

- 1** Enter an estimate of your 2021 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 10% of your income **1** \$ _____
- 2** Enter: $\left\{ \begin{array}{l} \bullet \$25,100 \text{ if you're married filing jointly or qualifying widow(er)} \\ \bullet \$18,800 \text{ if you're head of household} \\ \bullet \$12,550 \text{ if you're single or married filing separately} \end{array} \right\}$ **2** \$ _____
- 3** If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" **3** \$ _____
- 4** Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information **4** \$ _____
- 5 Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 **5** \$ _____

INSTRUCTIONS

Employee instructions

Complete the SC W-4 so your employer can withhold the correct South Carolina Income Tax from your pay. If you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Determine the number of withholding allowances you should claim for withholding for 2021 and any additional amount of tax to have withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Consider completing a new SC W-4 each year and when your personal or financial situation changes. This keeps your withholding accurate and helps you avoid surprises when you file your South Carolina Individual Income Tax return.

For the latest information about South Carolina Withholding Tax and the SC W-4, visit dor.sc.gov/withholding.

Exemptions: You may claim exemption from South Carolina withholding for 2021 for one of the following reasons:

- For tax year 2020, you had a right to a refund of **all** South Carolina Income Tax withheld because you had **no** tax liability, **and** for tax year 2021 you expect a refund of **all** South Carolina Income Tax withheld because you expect to have **no** tax liability.
- Under the Servicemembers Civil Relief Act, you are claiming the same state of residence for tax purposes as your military servicemember spouse. You are only in South Carolina, or a bordering state, to be with your military spouse who is serving in the state in compliance with military orders. Provide your employer with a copy of your current military ID card and a copy of your spouse's latest Leave and Earnings Statement (LES). Your military ID card must have been issued within the last four years. The assignment location on the LES must be in South Carolina or a bordering state. Enter your spouse's state of domicile on the line provided.

If you are exempt, complete **only** line 1 through line 4 and line 7. Check the box for the reason you are claiming an exemption and write **Exempt** on line 7. Your exemption for 2021 expires February 15, 2022. If you are a military spouse and you no longer qualify for the exemption, you have 10 days to update your SC W-4 with your employer.

Filers with multiple jobs or working spouses: You will need to file an SC W-4 for each employer. If you have more than one job, or if you are married filing jointly and your spouse is also working, you may want to consider only claiming allowances on the SC W-4 for the highest earning job and/or adding additional withholding on line 6 to ensure you are having enough withheld.

Nonwage income: If you have a large amount of nonwage income not subject to withholding, such as interest or dividends, consider making Estimated Tax payments using the SC1040ES, Individual Declaration of Estimated Tax, or adding additional withholding from this job's wages on line 6. Otherwise, you may owe additional tax. Find the SC1040ES with instructions at dor.sc.gov/forms.

Employer instructions

Complete box 8 through box 10, as necessary. Employees do **not** complete this section.

- **New hire reporting:** You must report newly-hired employees within 20 days after the employee's first day of work. For more information, see SC Code Section 43-5-598 and 42 USC Section 653a or visit newhire.sc.gov.
- **Box 8:** Enter your name and address. If you are sending a copy of this form to the State Directory of New Hires, enter the address where child support agencies should send income withholding orders.
- **Box 9:** If you are sending a copy of this form to the State Directory of New Hires, enter the employee's first date of employment, which is the date services for payment were first performed by the employee. If you rehired the employee after they had been separated from your service for at least 60 days, enter the rehire date.
- **Box 10:** Enter your Employer Identification Number (EIN).

All employers reporting South Carolina wages or withholdings must submit the W-2s directly to the SCDOR. Submitting the W-2s to the Social Security Administration does not meet this requirement. The fastest, easiest way to submit W-2s is using our free, online tax portal, MyDORWAY, at MyDORWAY.dor.sc.gov. Sign into your existing account or create an account to get started. Select **W2 Upload**, listed under the **I Want To** column.

Find the Withholding Tax Tables and the Withholding Tax Formula at dor.sc.gov/withholding.

Worksheet instructions

Personal Allowances Worksheet: Complete the worksheet on page 3 to determine the number of withholding allowances to claim.

- **Line C: Head of household** - Generally, you may claim the head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. For more information on filing status, refer to IRS Pub. 501 at irs.gov.
- **Line E: Dependents** - The total number of dependents claimed on your South Carolina return must equal the number of dependents claimed on your federal return. This includes qualifying children and qualifying relatives. Enter the total number of eligible dependents.
- **Line F: Dependents under the age of 6** - Enter the number of dependents from line E who have **not** reached the age of six by December 31, 2021.

Enter the total from line G of this worksheet on line 5 of the SC W-4.

Deductions, Adjustments, and Additional Income Worksheet: Complete this **optional** worksheet if you plan to itemize or claim adjustments to income and want to reduce your withholding, or if you have a large amount of nonwage income not subject to withholding and want to increase your withholding.

- **Reduce withholding:** Complete this worksheet to determine if you are able to reduce the tax withheld from your paycheck to account for your itemized deductions and other adjustments to income, such as IRA contributions. If you reduce your withholding, your refund at the end of the year will be smaller, but your paycheck will be larger.
- **Increase withholding:** You can also use this worksheet to determine how much to increase the tax withheld from your paycheck if you have a large amount of nonwage income not subject to withholding, such as interest or dividends.

Enter the total from line 10 of this worksheet on line 5 of the SC W-4.

Employee Tax Exemption Guide

Employees providing domestic or household services for an employer may be exempt from paying certain federal and state taxes that are normally paid by employers and employees. These exemptions are based on the employee's student status, age, or family relationship with the employer. These exemptions are NOT optional.

This means that wages that are through this employment agreement may not be used or counted by social security for the purposes of earning future benefits. This can impact retirement, disability, and survivor benefit amounts. To learn more about social security programs, please visit www.ssa.gov or call 1-800-772-1213. This also means that wages paid through this employment agreement may not qualify for unemployment benefits.

Morning Sun Financial Services determines the relationship between the employee and employer through the "Employment Tax Information Questionnaire" and follows the IRS Publication 926 "Household Employer's Tax Guide" when applying these exemptions. Please note that Morning Sun Financial Services is unable to provide tax advice and encourages employees and employers to consult professional tax consultants with questions.

Notice 797

(Rev. December 2020)

Possible Federal Tax Refund Due to the Earned Income Credit (EIC)

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

What Is the Purpose of This Notice?

Your employer sent you this notice to make you aware of an important federal tax benefit. Even if you had no income tax withheld from your wages during the year, you may be eligible for the EIC.

How Much Is the EIC?

For 2020, the EIC can be as much as \$3,584 if you have one qualifying child; \$5,920 if you have two qualifying children; \$6,660 if you have three or more qualifying children; and \$538 if you have no qualifying children.

How Do You Claim the EIC?

To claim the EIC, you must:

1. Be eligible for the EIC, and
2. File a 2020 tax return (including Schedule EIC if you have a qualifying child).

To figure out if you are eligible, see Pub. 596 or visit [IRS.gov/EITC](https://www.irs.gov/EITC).

If eligible, you can claim the EIC to get a refund even if you had no tax withheld from your pay or owe no tax. For example, if you had no tax withheld in 2020 and owe no tax but are eligible for a credit of \$800, you must file a 2020 income tax return to get the \$800 refund.

Most people qualify for free tax preparation. If you earned less than \$72,000, you can file for free online at [IRS.gov/FreeFile](https://www.irs.gov/FreeFile). In addition, IRS-certified volunteers can prepare your return for free in person if you earned less than \$57,000 or are age 60 or older. To find locations, visit [IRS.gov/VITA](https://www.irs.gov/VITA) or call 800-906-9887.
