Ramp Request

- Click “Home Assessment”
- From the Home Assessment screen, click “New Ramp Request”

The screenshot shows the 'Home Assessments' interface. At the top, there's a header with a house icon, the text 'Home Assessments', and a user profile '(9628129) Anne M Hathaway'. Below this is a navigation bar with several icons and labels: a back arrow, a house icon (circled in red), 'Home Assessment', a key icon, 'PASRR', a police officer icon, 'Waiver Supports', a chain link icon, 'Non-Waiver Supports', a phone icon, 'Claims', a document icon, 'Forms', and a forward arrow. Below the navigation bar is a tabbed interface with tabs: 'Overview', 'Special Alerts', 'Home Condition', 'Environmental Needs', 'Ramp', and an empty tab. The 'Ramp' tab is currently selected. Below the tabs is a table with the following headers: 'ID', 'Created At', 'Status', 'Request Completed By', and 'Request Completed At'. Below the table, there is a green button labeled 'New Ramp Request' with a red arrow pointing to it.

Saving Ramp Request form

- When all required information has been entered, the case manager will have the options to:
 - “Save”** – Allows the user to save the information without finalizing the ramp request. Users can go back and make any changes and finalize the ramp request later
 - “Save and Complete”** – allows the ramp request to be completed and forwarded to the Ramp Provider when the ramp referral is created

OR

- “Save and Refer to Emod Specialist”** – sends ramp request to the Emod Specialist to review. Ramp Referral can't be created until the Emod Specialist approves the ramp request. **A note is displayed when a ramp request must be reviewed by the Emod Specialist**

Notes for Provider (providers will be given these notes!) Optional

Save Save and Complete

This screenshot shows the bottom of the 'Save Ramp Request form'. It features a text area for 'Notes for Provider' with a placeholder icon and a plus sign. Below the text area are two buttons: 'Save' and 'Save and Complete'. Red arrows point from the text area to the 'Save' button and from the 'Save and Complete' button to the text area.

Notes for Provider (providers will be given these notes!) Optional

Note: This Ramp Request must be reviewed by an Emod Specialist before a referral can be made.

Save Save and Refer to Emod Specialist

This screenshot shows the bottom of the 'Save Ramp Request form' with the 'Save and Refer to Emod Specialist' option selected. It features a text area for 'Notes for Provider' with a placeholder icon and a plus sign. Below the text area is a yellow note box that reads: 'Note: This Ramp Request must be reviewed by an Emod Specialist before a referral can be made.' Below the note box are two buttons: 'Save' and 'Save and Refer to Emod Specialist'. Red arrows point from the note box to the 'Save' button and from the 'Save and Refer to Emod Specialist' button to the note box.

Ramp Referral Process

Ramp Request – Referred to E-Mod Specialist

- Answering these ramp request questions will refer the ramp request to the E-Mod Specialist if:
 - The questions regarding the door conflict with one another
 - The home has a small or no yard
 - The home is elevated high off the ground

What doors (facing home) are W/C accessible from the inside and lead to transportation?

☒ Front ☐ Rear ☐ Left ☐ Right

What accessible door is closest to the ground?

☐ Front ☒ Rear ☐ Left ☐ Right

Which door is preferred by the participant or primary contact?

☒ Front ☐ Rear ☐ Left ☐ Right

Does the house have a small yard or no yard?

Yes

Is the house elevated and high off the ground?

Yes

Ramp Referral Process

Creating a ramp referral

Ramp Request – Referred to E-Mod Specialist

- Once the questions have been answered and at least 1 image uploaded, click **“Save”** or **“Save and Refer to Emod Specialist”**
 - The ramp request is not finalized and referred to the E-Mod Specialist until it is **“Save and Refer to Emod Specialist”**

Notes for Provider (providers will be given these notes!) Optional

Note: This Ramp Request must be reviewed by an Emod Specialist before a referral can be made.
