

APPEALS SUMMARY
(Level of Care Cases)

Applicant/Participant Name:_____ Medicaid #_____

On _____, the Community Long Term Care Division of the Department of Health and Human Services was requested to perform a Level of Care ("LOC") assessment for the above-named applicant/participant, for the purpose of seeking Medicaid vendor payment for long term care. The South Carolina Long Term Care Assessment Form, DHHS Form 1718, was completed by CLTC in accordance with the South Carolina Criteria for Medicaid-sponsored Long Term Care. Based on this assessment, the applicant's/participant's level of care was found to be_____.The participant was notified of this finding on _____, through the use of a Level of Care Certification Letter, DHHS Form 185, or a CLTC Notification.

For the hearing currently scheduled for _(date/time/location)_____ the following materials are attached hereto and incorporated into this Appeal Summary, and constitute the asserted bases for the Department of Health and Human Services actions:

- (1) Form 1718 (S.C. Long Term Care Assessment Form);
 - (2) Form 185 (Level of Care Certification Letter)
- or
- CLTC Notification; and,
- (3) S.C. Criteria for Medicaid-sponsored Long Term Care.
