

Palmetto Coordinated System of Care Waiver Notice of Disenrollment

Date Form Completed: _____

Participant's Name: _____

Medicaid #: _____

SSN#: _____

The person named above is no longer eligible to receive services funded through the PCSC Waiver for the reason noted below:

- | | | |
|---|---|---|
| ☐ Death | ☐ Admitted to a PRTF | ☐ No longer meets LOC |
| ☐ No longer eligible for HFW | ☐ Admitted to Acute Psych Hosp | ☐ Recipient moved out of state |
| ☐ No service since enrollment | ☐ Voluntary withdrawal | ☐ Other _____ |
| ☐ No service(s) received in 30 calendar days | (the service(s) and last date received) | |

☐ Individual has not received a service for 30 consecutive calendar days due to provider non-availability or participant's injury/illness. The individual will be disenrolled but may request priority re-enrollment. Requests for priority re-enrollment are initiated by completing the New PCSC Wait Listed Application in Phoenix. If a provider has not been located or the participant is not ready to resume services, the individual may request to be removed from the waiting list. If a provider is secured or the participant is ready to resume services, the recipient may be re-enrolled pending slot availability.

[Freedom of Choice must be completed, and a new initial Level of Care may be requested].

List the service(s) needed, but not received: _____

☐ Individual has entered a PRTF, Acute Inpatient Psychiatric Hospital or juvenile facility that has exceeded 30 consecutive calendar days; however, the individual will require PCSC Waiver Services when released from institutional care. The individual will be disenrolled but may request priority re-enrollment. Requests for priority re-enrollment are initiated by completing the New Wait Listed Application in Phoenix. If the recipient has not been released from institutional care, the individual may request to be removed from the waiting list. If the participant is released from institutional care, the participant may be re-enrolled pending slot availability.

[Freedom of Choice must be completed, and a new initial Level of Care may be requested]. (please circle appropriate facility).

EFFECTIVE DATE OF DISENROLLMENT: _____

The effective date is 10 calendar days from the date the form is completed with the exception of death, moved to another state, institutional care exceeded 30 consecutive calendar days, and admission to a PRTF or Acute Inpatient Psychiatric Hospital. This allows the participant/legal guardian notice prior to disenrollment/loss of services and the right to appeal without services being terminated.

As a result of this disenrollment, service(s) currently being provided will be terminated with this effective date. Contact Continuum of Care / High-Fidelity Wraparound Facilitator about these services or any questions that you may have.

If form completed more than 2 business days after the disenrollment date, provide reason for delay:
