Recipient's Name: _____

Medicaid ID: _____

I, _____, as participant or legal guardian, request that the above named participant be terminated from the Palmetto Coordinated System of Care (PCSC) Home and Community Based Waiver.

I understand that the services noted below, which are currently being provided to the participant and are funded through the PCSC Waiver, will no longer be funded by this waiver.

EFFECTIVE: __/__/____

- ☐ High Fidelity Wraparound
- ☐ Respite Care
- ☐ Individual Directed Goods and Services

I understand that during the COVID-19 public health emergency termination from the PCSC Waiver may not affect Medicaid eligibility for the PCSC waiver participant named above unless termination is due to death, voluntary disenrollment, participant moves out of state, or completion of the PCSC waiver program. After the public health emergency ends, termination from the PCSC Waiver may affect Medicaid eligibility.

I understand that termination from the PCSC Waiver does not affect the recipient's eligibility for available services with the SC Continuum of Care and that voluntary termination does not prohibit future participation in the PCSC Waiver should the recipient choose to re-apply for the program.
