General Rules and Roles

Continuum of Care staff perform all waiver eligibility tasks to determine if applicants meet waiver eligibility criteria. Criteria *include* the following:

- COC agency criteria
 - This includes consents, authorizations, application, etc.
- Waiver targeting criteria
 - Financial eligibility (verified by SCDHHS)
 - Primary Behavioral Health diagnosis or behaviors consistent with a Behavioral Health diagnosis
 - Age – applicants must be under age 21
 - Level of care – CASII Assessment
- Required uploads (*includes* Waiver Consent, provisional plan of care, etc.)

The work and programs of the Palmetto Coordinated System of Care are guided by the following Core Values: family driven and youth guided; home and community based; strengths based and individualized; culturally and linguistically competent; coordinated across systems and services; connected to natural helping networks; data driven and outcome oriented; and trauma-informed. Visit <https://scdhhs.gov/pcsc> to learn more about the Palmetto Coordinated System of Care.

When it is determined an applicant meets the criteria above, a COC Phoenix User changes the status of the PCSC application in Phoenix to “Participating”. Once the status is changed to “Participating” PCSC Staff begin the SCDHHS waiver enrollment review process. Formal enrollment is complete when PCSC staff assigns the PCSC RSP (Recipient Special Program) identifier to the member record in MMIS.

Phoenix Tasks

The following steps are completed by PCSC Staff:

- Log in to Phoenix
- Navigate to the “No RSP/ Participating” screen from the PCSC Dashboard
 - The “No RSP/Participating” screen includes all youth with a “Participating” PCSC application status that do not have the PCSC RSP assigned to their record in MMIS
 - COC is not able to submit a waiver claim until PCSC staff assigns the PCSC RSP in MMIS
- Access each youth/client record on this screen
 - Navigate to “PCSC Participant” on the carousel
 - Navigate to the “Waiver Status Changes” tab (far right) to determine the following (**each of these conditions must be met BEFORE the RSP can be assigned in MMIS**):
 - “CASII: Recommended for Waiver” date should be less than or equal to the “Participating in PCSC” date
 - “Participating in HFW” date should be less than or equal to the “Participating in PCSC” date
 - Navigate to the “Custody Placement” tab to ensure the youth is in an approved home-like setting

The work and programs of the Palmetto Coordinated System of Care are guided by the following Core Values: family driven and youth guided; home and community based; strengths based and individualized; culturally and linguistically competent; coordinated across systems and services; connected to natural helping networks; data driven and outcome oriented; and trauma-informed. Visit <https://scdhhs.gov/pcsc> to learn more about the Palmetto Coordinated System of Care.

- When the conditions above are met, navigate to the “Applications” tab on the carousel
 - The PCSC application status should be “Participating”; **the corresponding date will be the assignment date of the PCSC RSP in MMIS**
- Before exiting Phoenix, navigate to “Participant Information” on the carousel
 - Navigate to the “General Information” tab (far right) to determine the Medicaid ID number for the youth; **this number will be used to search the applicant in MMIS**

----PCSC Staff activity in Phoenix ends----

MMIS Tasks

When PCSC staff determines the youth/applicant meets waiver enrollment criteria the following steps are taken:

- Log in to MMIS
- Enter the recipient Medicaid Number
- Navigate to the RSP Update Screen
- Add the date that appears on the Phoenix – Applications tab as referenced in the highlighted section above.

---PCSC Staff activity in MMIS ends---

----The youth is now enrolled in the PCSC Waiver---

---COC can begin submitting claims for this participant---

The work and programs of the Palmetto Coordinated System of Care are guided by the following Core Values: family driven and youth guided; home and community based; strengths based and individualized; culturally and linguistically competent; coordinated across systems and services; connected to natural helping networks; data driven and outcome oriented; and trauma-informed. Visit <https://scdhhs.gov/pcsc> to learn more about the Palmetto Coordinated System of Care.

Initial waiver claims are not to be submitted for a date preceding the PCSC “Participating” status date. Per the following statement found on page 87 of page 192 of the CMS-approved amended waiver, “HCBS eligibility begins on the earliest date that all three of the following are in place: the participant is found to meet the targeting, risk factors and level of care (LOC); the participant has a provisional plan of care (crisis plan) or final person-centered plan; and a financial eligibility determination is effective. The provisional plan of care (crisis plan) may be in effect for no more than 60 days. Participants who have agreed to community-based services under the waiver and meet all LOC and financial eligibility requirements are placed in a waiver slot, when there is one available. COC informs the family of their eligibility status for the waiver.”

SPECIAL NOTE:

SCDHHS may require additional COC action before a youth is assigned the PCSC RSP in MMIS. For example, SCDHHS accesses the client record of Youth ABC from the “No RSP/Participating” screen in Phoenix. Upon review it is discovered a provisional plan of care has been uploaded for Youth DEF. SCDHHS will email a request for the correct provisional plan of care to be uploaded before the RSP will be added to the record in MMIS.

----END----

The work and programs of the Palmetto Coordinated System of Care are guided by the following Core Values: family driven and youth guided; home and community based; strengths based and individualized; culturally and linguistically competent; coordinated across systems and services; connected to natural helping networks; data driven and outcome oriented; and trauma-informed.
