

Adding/Terminating Users

phoenix

Adding/Terminating Users

- New provider case managers and DHHS state workers will be added to Phoenix by CLTC Central Office
- Phoenix users that are no longer working with CLTC, will be terminated by CLTC Central Office
- Case Management Providers and CLTC Area Offices will need to fill out a Phoenix Access Request form in order to add or terminate any user(s) from Phoenix and email it back to CLTC Central Office

Adding/Terminating Users

- Once the user's access is created, the Phoenix Access Request form is emailed back to the requester and new user along with the login information
- New users will be required to change login password and setup security questions and answers
 - Security questions and answers is necessary if login password is forgotten and needs to be reset
 - **Instructions for changing or resetting passwords see (Editing User Information)**
- Once a Phoenix user is terminated, the Phoenix Access Request form is emailed back to the requester

Granting Access To Another Area

- If a current user needs access to a different area office then access is granted by CLTC Central Office
- When a user no longer needs access for an area office, access will be removed by CLTC Central Office
- Providers and CLTC Area Offices must submit a Phoenix Access Request form to in order to complete request
- The requester will receive the Phoenix Access Request form back from CLTC Central Office
