Logging into Pheonix

- Enter username into the “Username” field **Note: Username can contain a maximum of 8 character**
- Enter password into the “Password” field **Note: Passwords are case sensitive. Passwords must be 8 to 40 characters long and contain 3 of 4 entities (upper case, lower case, number, and symbol)**
 - e.g. (Karlpop2, sandwich\$, pirate@50, Bob%Smith)
 - Changing/resetting passwords (see “Editing User Information”)
- Solve math problem then click “**Continue**”. After 3 unsuccessful attempts, the user will be locked out and will need to contact the Phoenix helpdesk for assistance or wait 30 minutes to login.

The screenshot shows the Phoenix login page. On the left is the Phoenix logo. The main area contains a login form with the following elements:

- A message: "You have been logged out."
- A "Username" label above a text input field.
- A "Password" label above a text input field.
- A math problem: "What is 2 + 12?" above a text input field.
- A "Continue" button, which is circled in red.
- Links for "Login" and "Forgot Password?" below the input fields.

Red arrows point to the Username field, Password field, math problem field, and the Continue button. A padlock icon is visible in the top right corner of the login area.

Participant Dashboard

- “**Status Changes**” tab displays any program changes from initial application to termination

The screenshot shows a web application interface for a participant dashboard. At the top, there is a header bar with the word "Dashboard" on the left and the user identifier "(0000062) John Last" on the right. Below the header is a navigation bar with several icons and labels: "Dashboard", "Participant Information", "Intake Workflows", "Applications", "Assessments", and "Narratives". Below the navigation bar is a sub-navigation bar with tabs: "Snapshot", "General Information", "Status Changes", "Services", "Complaints", and "Alerts". The "Status Changes" tab is highlighted with a red circle. The main content area is titled "Participant Status Changes" and contains a table with three columns: "Date", "Action", and "Reason". The table lists several status changes for a participant, including initial applications, status changes to active, and enrollment in community choices. Below the table is a large empty rectangular box. In the bottom left corner of the page, there is a small vertical text label "Timeline © SAGE".
