User Requests

- Requesting Phoenix access is now an electronic process
- When a worker needs access to Phoenix, providers, central office, and area offices can create a User Request via Phoenix for their worker
- Terminating and updating Phoenix access for a worker will be completed via Phoenix electronic format
- Paper format of the Phoenix Access Request form will no longer be accepted (*Exceptions: User access for Medicaid Eligibility workers, new CM providers, or state staff requesting additional area offices*)

Creating User Request

- From the “Home” screen, click “User Requests”

A screenshot of the Phoenix Home screen. The top navigation bar is red and contains the Phoenix logo, the word "HOME", and links to Dashboard, Participants, Providers, Waiting Lists, Reports, and Inbox. A blue arrow points to the Phoenix logo in the top bar. On the left, a sidebar lists navigation options: Collapse sidebar, Dashboard, Participants, Providers, Users, Workers, and Claims. The main content area has a search bar and two columns of links. The left column, titled "Search in the following", lists Participants, Resource Directory, Provider Compliance, Provider Maps, Users, User Requests (circled in red with a red arrow pointing to it), and User Roster. The right column, titled "Administrative Functions", lists View My Issues, View Open Enhancements, New Complaint, Request Enhancement, and Complaint Log.

- Click “New User Request”

A screenshot of the Phoenix web application interface. The top navigation bar is red and contains the following links: HOME, DASHBOARD, PARTICIPANTS, PROVIDERS, WAITING LISTS, REPORTS, ADMIN, INBOX, ISSUES, and HELP. A green circular button with the letters "AS" is located on the far right of the navigation bar. Below the navigation bar, the main content area has a dark blue background. On the left, there is a white box titled "Open User Requests" with a sub-header "Open User Requests". Inside this box, there are two buttons: "Open" (blue) and "Closed" (grey). Below these buttons, it says "No open User Requests". On the right side of the white box, there is a green button labeled "New User Request" which is circled in red. A red arrow points from the "New User Request" button in the top navigation bar to the "New User Request" button in the white box. There is also a search bar with the text "Search by name or login" and a magnifying glass icon.

Creating User Requests

FOR STATE WORKERS ONLY!!!

- State staff will enter the user's information in the appropriate fields. **The request will not be processed without a valid email address (State or Personal) for the user**
- The Area Office roles will be limited to the staff's area roles (i.e. Rock Hill office staff can only create a request for Rock Hill area office roles)
- If user is an Assessment Consultant, select (yes or no) in the assessment consultant dropdown box

Worker Information

Input is required for all fields in this section.
Choose a Login

Login must be a minimum of three characters long, maximum of eight.

First name

Last name

Email

Roles

Select Some Options

If this user is a state nurse, are they an assessment consultant?

Creating User Requests

FOR PROVIDER WORKERS ONLY!!!

- Provider administrators will enter the user's information in the appropriate fields. **The request will not be processed without a valid email address (Agency or Personal) for the user**
- If user is an Administrator and/or Supervisor, check appropriate box(es)
- Enter Start Date and Office Orientation Completion Date (**Prime Plans and SC Solution workers can enter today's date as the Office Orientation date since that is not required**)

The screenshot shows the 'New User Request' form in a web application. The form is divided into several sections: 'Worker Information', 'Case Manager Details', and 'Areas'. Red arrows point to the following fields:

- Worker Information:**
 - Choose a Login:** A text input field.
 - First name:** A text input field.
 - Last name:** A text input field.
 - Email:** A text input field.
- Case Manager Details:**
 - Case Manager Provider Worker:** A dropdown menu with a note: 'This field is auto-populated and should reflect your Provider name Advanced Care Management'.
 - Check for Case Manager Provider Administrator:** A checkbox.
 - Supervisor?:** Radio buttons for 'Yes' and 'No'.
 - Start Date:** A date picker.
 - Office Orientation Completion Date:** A date picker.
- Areas:** A list of areas to select from, including Greenville, Spartanburg, Greenwood, Rock Hill, Columbia, Orangeburg, Sumter, Florence, Conway, Charleston, Anderson, Medically Complex Children, Ridgeland, Aiken, Palmetto Senior Care, The Oaks PACE, Centralized Intake, Incontinence Supplies, OSS, Targeted Case Management, and Greenville PACE.

Creating User Requests

FOR PACE WORKERS ONLY!!!

- PACE administrators will enter the user's information in the appropriate fields. **The request will not be processed without a valid email address (State or Personal) for the user**
- If user is an Administrator and/or Supervisor, check appropriate box(es)
- Enter Start Date and Office Orientation Completion Date (enter today's date as the Office Orientation date since that is not required)

Worker did not show up for training.

Activating User Requests

- Once the user request has been approved by Central Office, a notification will be emailed to the new user
- Providers may have to use the worker's personal email address to receive the notification, if the worker has not received a state email address before the request is made
- The notification will contain the user's Login ID
- The user will need the activation code in order to setup their Phoenix account. New users will have to retrieve the activation code from their Provider administrator or State staff

Activating User Requests

- Provider administrators and State staff will need to give the new user the activation code once the user receives the notification that the user id has been created
- **The activation code will expire 24 hours after the user request is approved.** If the user does not activate their account within 24 hours of receiving the activation code, then the administrator will need to request a new activation code

Terminating Users

- From the “Home” Screen click “User Roster”

Terminating Users

- From the “User Roster” screen, click “Terminate”

User Roster		
Name	Edit CM Areas	Terminate User
Adam Smith	Edit Areas	Terminate
Ryan Reynolds	Edit Areas	Terminate

Terminating Users

- A **Blue** notification banner will be displayed when the user **does not have** any assigned cases
- Enter “**Termination Date**” and “**Termination Reason**”. (Termination and Termination Reason are required fields)
- Entering a future date in the “**Termination Date**” field will result in the User ID remaining active until that termination date
- Click “**Terminate User**”

Terminate Account for Adam Smith

No cases are currently assigned to Adam Smith.
Terminating a user is immediate.

Termination Details

Termination Date
12/12/2018

Termination reason
No longer worker with company

Terminate User Cancel

The screenshot shows a web interface for terminating a user account. At the top, a grey header bar contains the title 'Terminate Account for Adam Smith'. Below this is a light blue notification banner stating 'No cases are currently assigned to Adam Smith. Terminating a user is immediate.' A red arrow points to this banner. The main form area has a red header 'Termination Details'. It contains two fields: 'Termination Date' with a date picker set to '12/12/2018', and 'Termination reason' with a text box containing 'No longer worker with company'. Red arrows point to both fields. At the bottom, there is a grey bar with two buttons: 'Terminate User' (highlighted with a red circle and a red arrow) and 'Cancel'.

Terminating Users

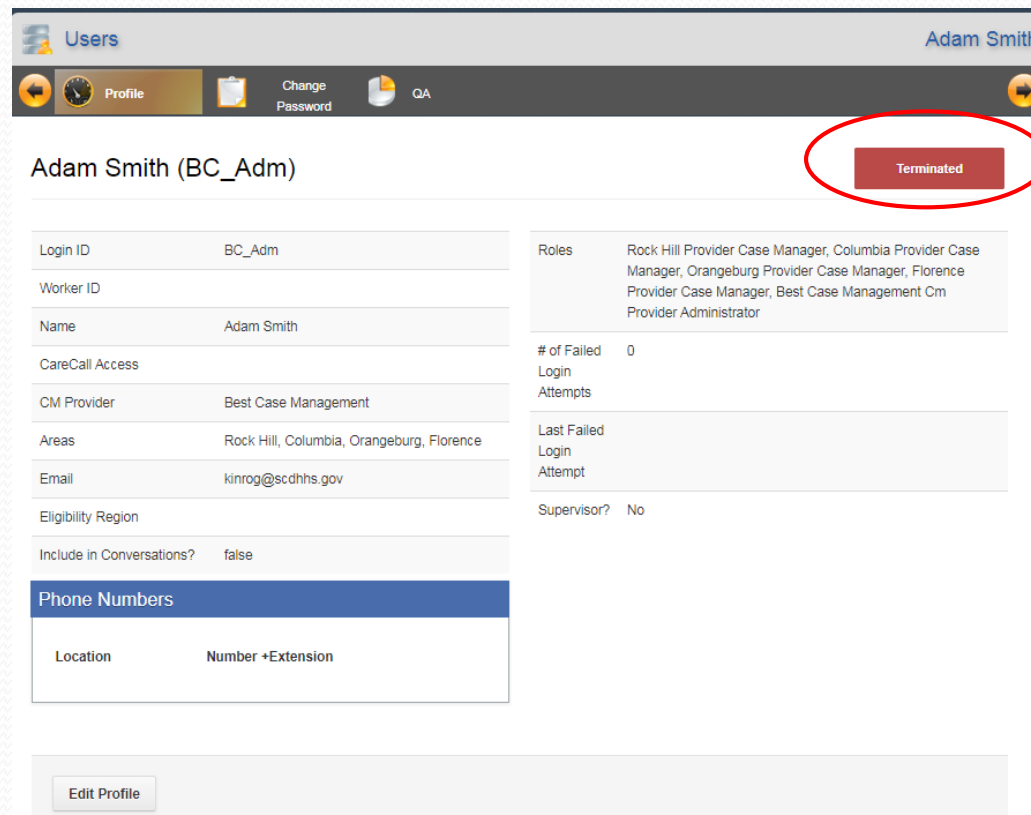

- A **Red** notification banner will be displayed when the user **have** assigned cases. Providers will need to run a roster report and have cases reassigned
- If the user is terminated before cases are reassigned, then the provider will not be able to mimic the terminated user to view their caseload
- Continue the termination process and click “**Terminate User**”

The screenshot shows a web form titled "Terminate Account for Absolute C CM". At the top, a red banner displays the message: "Cases assigned to Absolute C CM: 61. Terminating a user is immediate. Be sure to run a roster report and have cases reassigned." Below this is a section titled "Termination Details" which contains a "Termination Date" field with a calendar icon and a "Termination reason" text area. At the bottom of the form, there are two buttons: "Terminate User" and "Cancel". Red arrows are overlaid on the image, pointing to the red banner, the "Termination Date" field, the "Termination reason" text area, and the "Terminate User" button. The "Terminate User" button is also circled in red.

Terminating Users

- “**Terminated**” status will be displayed. Central office does not have to approve termination requests for users
