User Interface

- UI from Dashboard

The screenshot displays the Phoenix User Interface Dashboard. A red box highlights the navigation elements, including the top bar and the sidebar. The top bar contains links for Dashboard, Participants, Providers, Waiting Lists, Reports, Inbox (with 16 items), Issues, Help, and a user profile icon (R C). The sidebar on the left lists various navigation options: Collapse sidebar, Dashboard, Active Applications, Notifications, Events, Map, Participants, Providers, Users, Workers, and Claims. The main content area shows a table of Active Applications with columns for Name, Area - CLTC #, Med. Eligibility, Med. RSP, Program, Activity Due / Date Due, Date Done, Next QV Due, and Next RE Due. The table lists several applications, including Denver Broncos, Millard Fillmore, Lady Bird Johnson, Eleanor Roosevelt, Veronica First, Billy Kidd, Jesse James, Julia Roberts, Gerald Ford, and Mary Doubtfire. A red arrow points to the top bar navigation, and another red arrow points to the sidebar navigation.

4. Background Color

When the color(s) are selected, go to any section in Phoenix to view the changes

User Interface

- UI – Background Color

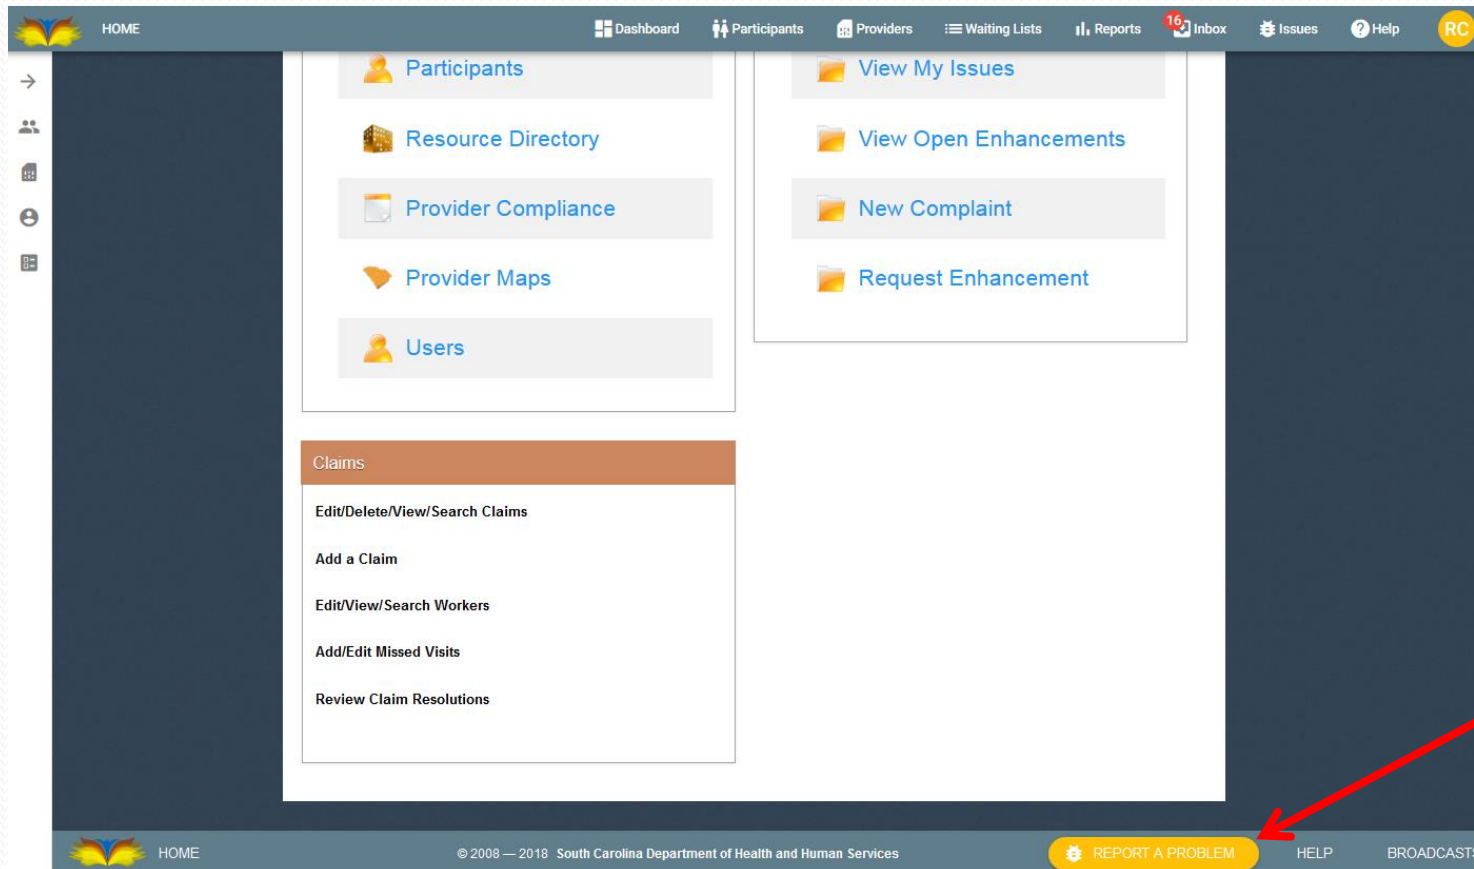

4. Background Color

The new color scheme is applied to the top and bottom of each screen

User Interface

- UI – Report A Problem

Report A Problem

Click “Report A Problem” at the bottom on any Phoenix screen to go to the Phoenix landing page

User Interface

- UI – Report A Problem

The screenshot shows the 'Report A Problem' web interface. At the top is a navigation bar with links: Dashboard, Participants, Providers, Waiting Lists, and Report. The main content area is titled 'Report A Problem' and contains three sections:

- Phoenix (Issues)**: A section for reporting technical issues. It includes a description, examples (Deleting data or items, Rolling back changes, Data inconsistencies), and a green button labeled 'Report a Phoenix Issue'. A red arrow points from the 'Phoenix Issues' text on the right to this button.
- Providers & Services (Complaints)**: A section for reporting complaints about service providers. It includes a description, examples (Provider and CM compliance, Service termination or reduction, Ramp and E-Mod complaints), and a green button labeled 'Report a Provider or Service Complaint'. A red arrow points from the 'Complaints' text on the right to this button.
- Participants (Critical Incidents)**: A section for reporting critical incidents regarding a program participant. It includes a description, examples (Allegations of abuse, neglect, or exploitation; Fall resulting in hospitalization; Involvement with APS/CPS, law enforcement, or other agency), a 'Client Number' input field, and a green button labeled 'Report a Critical Incident for Client'. A red arrow points from the 'Critical Incidents' text on the right to this button.

Phoenix Issues

Click “Phoenix Issues” to report technical issues

Complaints

Click “Providers & Services (Complaints)” to report complaints related to providers

Critical Incidents

Enter participant’s CLTC number and Click “Participants (Critical Incidents)” to report any allegations of abuse, neglect or APS/CPS incident.

****APS/CPS incidents should NOT be reported in the “Complaints” section**
