Enhanced Pest Control

Pest Control Provider

Uploading documents

- From the “Uploads” screen, click “New Uploads”
- Providers can upload the bedbug warranty and/or home prep documentation
- Uploaded documents will be displayed under each participant’s bedbug assessment

The screenshot displays the Phoenix Pest Control Provider interface. At the top, there is a header bar with the Phoenix logo, an 'Inbox' icon, and the text '(EX7793) Bugs Gotta Go - EX7793'. Below the header is a navigation menu with tabs: Dashboard, Profile, Users, Resolutions, Workers, Missed Visit, Reports, and Issues. The 'Uploads' tab is highlighted with a red circle. Below the navigation menu is a sub-menu with tabs: General Info, Holidays, Counties Served, Mobile Devices, Agreements, and Uploads. The 'Uploads' tab is also highlighted with a red circle. Below the sub-menu is a table with columns: Name, Category, Upload Date, and Uploaded By. A red arrow points to a green 'New Upload' button located below the table. At the bottom of the interface, there is a footer section with the Phoenix logo, a 'Report a Problem' button, and a 'Documentation' link with sub-links for 'Broadcasts' and 'Help'. The footer also includes the text 'rfaextapp01 - eb095b4ab' and 'Copyright 2008 — 2019 South Carolina Department of Health and Human Services'.

Uploading documents

- From the “New Upload” screen, give the document a name
- Select a Tag
- Click “Browse” to select a document file from your computer, smartphone, or tablet. (Documents can only be pdf, doc, docx, ppt and pptx file types)
- Click “Save”
- At the “Profile” screen, a blue message banner “Document was successfully uploaded” will be displayed

The screenshot shows the 'New Upload' form in the Phoenix Pest Control system. The form is located under the 'Inbox' tab. The top navigation bar includes links for Dashboard, Profile, Users, Resolutions, Workers, Missed Visit, Reports, and Issues. The form fields are:

- Name ***: A text input field containing 'Bed Bug Warranty'.
- Tag ***: A dropdown menu with 'Bedbug Warranty' selected.
- Document ***: A text input field containing 'Bed Bug Warranty.docx' and a 'Browse...' button.
- Save**: A green button at the bottom of the form, circled in red.

Two yellow boxes provide important information:

- IMPORTANT: Only pdf, doc, docx, ppt, and pptx documents may be uploaded.**
- IMPORTANT: Maximum file size is 39MB.**

Pest Control Provider

Completing a Bedbug Assessment

Pest Control Provider **must** complete a Bedbug assessment as a part of the bidding process.

- From the “**Dashboard**” screen, click the referral link

The screenshot shows the user interface of the Enhanced Pest Control system. At the top, there's a header with the Phoenix logo, an 'Inbox' icon, and the text '(EX7793) Bugs Gotta Go - EX7793'. Below the header is a navigation bar with several menu items: 'Dashboard' (circled in red), 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports', and 'Issues'. Under the 'Dashboard' menu, there's a sub-navigation bar with 'Notifications', 'Terminations', 'Pendings', 'Authorizations', 'Requests', 'Compliance Reviews', and 'Bedbugs'. The main content area displays a table with the following data:

Notification	Time	Actions
Referral for 9633449 is waiting for your acceptance	07/01/19 12:55PM	

A red arrow points to the text 'Referral for 9633449 is waiting for your acceptance'. At the bottom of the page, there's a footer with the Phoenix logo, a 'Report a Problem' button, and links for 'Documentation', 'Broadcasts', and 'Help'. The footer also includes the text 'rfaextapp02 - eb095b4ab' and 'Copyright 2008 — 2019 South Carolina Department of Health and Human Services'.

Enhanced Pest Control

Pest Control Provider

Completing a Bedbug Assessment

- Select “Accept” and click “Submit”
- Notification will be sent to the case manager.
- Case manager will need to approve referral in order to begin bed bug assessment

Pest Control Provider

Completing a Bedbug Assessment

- Fill in information regarding “**Home Visit**”
- Upload documents such as invoices, home prep sheets under the “**Documents**” section
- Upload images such as pictures of bedbugs under the “**Images**” section

The screenshot displays the Phoenix Pest Control software interface. At the top, there's a navigation bar with a logo and an 'Inbox' button. Below this is a dashboard with various icons: Dashboard, Profile, Users, Resolutions, Workers, Missed Visit, Reports, and Issues. The main content area is titled 'Bedbug Assessment for Tracee Ross' and includes a sub-header 'Complete the checklist and upload pertinent images and documents needed for review.' The form is divided into three main sections: 'Home Visit', 'Documents', and 'Images'. The 'Home Visit' section contains fields for 'Visit date' (07/02/2019), 'Technician name' (Billy The Exterminator), 'Visit type' (Initial Assessment), 'Bedbugs present?' (Yes), and 'Expected date of treatment' (07/03/2019). The 'Documents' section has a 'Documents' header, a 'Name' field (Invoice), a 'Document' field with a 'Browse...' button, and a file named 'Bed Bug Invoice.docx'. The 'Images' section has an 'Image' field with a 'Browse...' button and a file named 'Bed Bug Pic.jpg'. Red arrows point to the 'Visit date', 'Technician name', 'Visit type', 'Bedbugs present?', and 'Expected date of treatment' fields. There are also important notices: 'IMPORTANT: Maximum file size is 39MB.', 'IMPORTANT: Only pdf, doc, docx, ppt, and pptx documents may be uploaded.', and 'IMPORTANT: Only jpeg, jpg, and png images may be uploaded.' A 'Checklist' section at the bottom shows '1) Assessment Information' with a 'No due date'.

Enhanced Pest Control

Pest Control Provider

Completing a Bedbug Assessment

- Fill in information under the “Checklist” section

Checklist

☒ 1) Assessment Information No due date

1) What method was used to identify bed bugs?
Live bed bugs

2) What is the likelihood of successful eradication of the bed bug infestation?
Highly likely

3) What type of treatment will be performed?
Heat

4) Will you provide a written one year warranty for the service from the start date of the authorization?
Yes

5) Will mattress covers be provided as part of the bid?
Yes

6) What is the total cost to perform the treatment?
950.00

Enhanced Pest Control

Pest Control Provider

Beginning Treatment

- The Area Administrator will review the Bedbug bid
 - The Area Administrator approves or denies bedbug bid
- The assigned case manager follows up with the participant or primary contact to verify that the home is ready for treatment
 - If the home is ready for treatment, a notification will be sent to the provider's dashboard
- The provider performs the service and records the treatment
- To record the treatment, click the notification link

The screenshot displays the user interface of the Enhanced Pest Control system. At the top, there is a header bar with the Phoenix logo on the left, an 'Inbox' button in the center, and the text '(EX7793) Bugs Gotta Go - EX7793' on the right. Below the header is a navigation menu with buttons for 'Dashboard', 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports', and 'Issues'. The 'Dashboard' button is currently selected. Underneath the navigation menu is a sub-menu with buttons for 'Notifications', 'Terminations', 'Pendings', 'Authorizations', 'Requests', 'Compliance Reviews', and 'Bedbugs'. The 'Notifications' button is selected. The main content area features a table with three columns: 'Notification', 'Time', and 'Actions'. A single notification is listed: 'The home of (9633449) Tracee Ross is ready for bedbug treatment.' A red arrow points to this notification text. The 'Time' column shows '07/02/19 03:48PM'. Below the table, there is a large Phoenix logo on the left, a 'Report a Problem' button in the center, and a 'Documentation' link with sub-links 'Broadcasts' and 'Help' on the right. At the bottom of the page, there is a footer with the text 'rfaextapp01 - 310326cfd' and 'Copyright 2008 — 2019 South Carolina Department of Health and Human Services'.

Additional Treatments

- If the case manager rolls back the status due to bedbugs still being present in the home, then the provider will receive a notification stating **“A bedbug bid for CLTC# was approved by the reviewer and is awaiting home preparation”**
- Click the notification link

The screenshot shows the Phoenix Enhanced Pest Control web application. At the top, there is a header bar with the Phoenix logo on the left, an 'Inbox' button in the center, and the text '(EX7793) Bugs Gotta Go - EX7793' on the right. Below the header is a navigation menu with buttons for 'Dashboard', 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports', and 'Issues'. The 'Notifications' button is circled in red. Below the navigation menu is a sub-menu with buttons for 'Terminations', 'Pendings', 'Authorizations', 'Requests', 'Compliance Reviews', and 'Bedbugs'. The main content area displays a table with the following data:

Notification	Time	Actions
A bedbug bid for (9633449) Tracee Ross was approved by the reviewer and is awaiting home preparation.	07/05/19 09:58AM	

A red arrow points to the notification text. At the bottom of the page, there is a footer section with the Phoenix logo on the left, a 'Report a Problem' button in the center, and a 'Documentation' link on the right. The footer also includes the text 'rfaextapp01 - 310326cfd' and 'Copyright 2008 — 2019 South Carolina Department of Health and Human Services'.

Enhanced Pest Control

Case Manager

Bedbug Workflow

- Initiate a bedbug referral from “**Waiver Supports**” as normal
 - Pest Control provider will complete a Bedbug Assessment
- Once the pest control provider “**Save and Complete**” the bedbug assessment from the provider portal, a notification will be sent to the assigned case manager and Area Administrator’s dashboard alerting them that a bedbug assessment has been completed and is awaiting review

The screenshot shows the Phoenix Case Manager dashboard. The top navigation bar is red and contains the Phoenix logo, a 'HOME' button, and links to 'Dashboard', 'Participants', 'Providers', 'Waiting Lists', and 'Reports'. The left sidebar is white and contains a 'Collapse sidebar' button, a 'Dashboard' link with a blue square icon, and a list of menu items: 'Active Applications', 'Notifications' (circled in red), 'Events', 'Map', and 'Case Managers'. The main content area is white and titled 'Notifications'. It features a search bar and a list of notifications. The first notification is highlighted with a red arrow pointing to it: 'A bedbug assessment for (9633449) Tracee Ross has been completed by the provider and is awaiting review.' Below this are two other notifications: 'Enhanced Pest Control referral for (9633449) Tracee Ross needs approval' and 'A bedbug bid for (9634070) John T Smith was approved by the reviewer and is awaiting home preparation.' The bottom notification is 'A bedbug assessment for (9633471) Serena Williams has been completed by the provider and is awaiting review.'
