Phoenix Provider Portal

Referrals – Will list information related to the participant such as (service, start date, schedule, pets, age, gender, height, weight, health condition, language, habits, street name, zip code, household size). Providers will not see the participant's name, exact address or contact phone number until the authorization is sent to the provider.

The type of provider will determine what information is displayed on the referral. For example, a personal care or case management provider referral will display more information than a pest control or meal provider referral.

Phoenix Provider Portal

Pendings subtab – Displays approved referrals that requires action from the case manager.

The screenshot shows the Phoenix Provider Portal interface. At the top, there is a header bar with the Phoenix logo on the left, an 'Inbox' icon in the center, and the text '(EX0015) ACME Personal Care - EX0015' on the right. Below the header is a navigation bar with several tabs: 'Dashboard' (highlighted with a red box), 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports', and 'Issues'. Below the navigation bar is a sub-navigation bar with tabs: 'Notifications', 'Terminations', 'Pendings' (highlighted with a red box), 'Authorizations', 'Requests', and 'Compliance Reviews'. The main content area displays a table with the following data:

Pending	Time
Referral for (0000023) Snow White - Pending approval	05/21/18 10:53AM

A red arrow points to the 'Referral for (0000023) Snow White - Pending approval' entry in the table. At the bottom of the page, there is a footer section with the Phoenix logo on the left, a 'Report a Problem' button in the center, and 'Documentation', 'Broadcasts', and 'Help' links on the right. The footer also includes the text 'rfaextapp01 - b6ddf1619' and 'Copyright 2008 — 2020 South Carolina Department of Health and Human Services'.

Phoenix Provider Portal

Authorizations subtab – Displays the open authorizations. Providers can view the Service Plan by clicking the Service Plan date and entering the participant's CLTC number.

Authorizations – Displays the open and closed authorizations. Providers can view the terminated authorization by using the clicking the PDF button and entering the participant's CLTC number.

Participants enrolled in the Healthy Connections Prime program are identified with a **Green** tag.

Authorizations can be sorted by the title headers.

Authorizations can be filtered by entering key words into the Search field and click **“Search”**

The screenshot displays the Phoenix Provider Portal interface. At the top, there's a navigation bar with 'Inbox' and '(EX0015) ACME Personal Care - EX0015'. Below this is a menu with 'Dashboard' (highlighted with a red box), 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports', and 'Issues'. A secondary menu shows 'Notifications', 'Terminations', 'Pendings', 'Authorizations' (highlighted with a red box), 'Requests', and 'Compliance Reviews'. Below the menu, there are filters for 'Open' (5) and 'Closed' (2), a sort dropdown 'Sort: Participant Name (asc)', and a search bar with 'Search...' (highlighted with a red box) and a 'Search' button (highlighted with a red arrow). The main table lists authorizations with columns: (Area) CLTC #, Name, Med. Elig., Case Manager, Start & End Date, Svc Plan, Plan Updated, and Service & Frequency. The first row shows a 'Prime' tag (highlighted with a red arrow) for Louis W Armstrong, with a 'Personal Care II' service. Other rows show 'Morgan Jones', 'Deborah Last', 'Donald Mouse II', and 'Mickey Mouse' with various services like 'Adult Day Health Care' and 'Personal Care I (Home Mgmt.)'.

Phoenix Provider Portal

Profile - Under the “Contact Info” sub-tab, enter information in the appropriate fields.

Providers can add multiple email addresses and/or phone numbers. Check the “**Remove**” box to delete any email address or phone number that has been saved.

Click “**Save**” at the bottom of the screen once changes have been made.

The screenshot shows the Phoenix Provider Portal interface. At the top, there's a navigation bar with tabs: Dashboard, Profile, Users, Resolutions, Workers, Missed Visit, Reports, and Issues. The 'Profile' tab is selected. Below this, there's a sub-navigation bar with tabs: Contact Info, Addresses, Hours, Holidays, and Mobile Devices. The 'Contact Info' sub-tab is selected. The main content area shows the 'Administrator name' field with 'James Dean' entered. Below that is the 'Email Addresses' section with one entry: 'AcmePC@me.com'. There's a 'Remove' button next to it. The 'Phone Numbers' section has two entries. Each entry has a 'Phone' field (with area code, number, and extension) and a 'Location' dropdown. There's a 'Remove' button next to each entry. At the bottom, there's a 'Save' button circled in red, and a 'Cancel' button. A red arrow points to the 'Save' button. Another red arrow points to the 'Remove' button for the second phone number entry.

Phoenix Provider Portal

Profile - Under the “Addresses” sub-tab, enter information in the appropriate fields.

Providers can add multiple addresses. Check the “Address Types” (Mailing, Business, Payment, and Previous) boxes that applies to each address.

Addresses marked “Previous” will disappear from the screen. To view any previous addresses, click “Show Previous Addresses”.

Click “Save” at the bottom of the screen once changes have been made.

The screenshot shows the Phoenix Provider Portal interface. At the top, there's a navigation bar with tabs: Dashboard, Profile, Users, Resolutions, Workers, Missed Visit, Reports, and Issues. The 'Profile' tab is selected. Below this, there's a sub-navigation bar with tabs: Contact Info, Addresses, Hours, Holidays, and Mobile Devices. The 'Addresses' sub-tab is selected. The main form area is titled 'Addresses'. It contains several input fields: 'Street' (with '1800 Main St' entered), 'City' (with 'Columbia' entered), 'Street Cont.' (empty), 'State' (a dropdown menu showing 'SC'), and 'Zip' (with '29201' entered). To the right of these fields is a section titled 'Address Types' with four checkboxes: 'Mailing' (checked), 'Business' (checked), 'Payment' (checked), and 'Previous' (unchecked). At the bottom of the form, there are two links: 'Add Address' and 'Show Previous Addresses'. Below these links is a 'Save' button, which is circled in red. To the right of the 'Save' button is a 'Cancel' button. At the bottom of the page, there's a footer with the Phoenix logo, a 'Report a Problem' button, and links for 'Documentation', 'Broadcasts', and 'Help'. The footer also includes the text 'rfaextapp01 - 226b06e08'.

Phoenix Provider Portal

Profile - Under the “Hours” sub-tab, enter information in the appropriate fields.

Click “**Save**” at the bottom of the screen once changes have been made.

The screenshot displays the Phoenix Provider Portal interface. At the top, there is a header bar with the Phoenix logo on the left, an 'Inbox' icon in the center, and the text '(EX0015) ACME Personal Care - EX0015' on the right. Below the header is a navigation menu with tabs: Dashboard, Profile (highlighted with a red box), Users, Resolutions, Workers, Missed Visit, Reports, and Issues. Under the Profile tab, there are sub-tabs: Contact Info, Addresses, Hours (highlighted with a red box), Holidays, and Mobile Devices. The main content area shows the 'Office Hours' section with input fields for 'opens at', 'closes at', 'closed for lunch from', and 'reopens'. At the bottom of the form, there is a 'Save' button circled in red with a red arrow pointing to it, and a 'Cancel' button on the right. The footer contains the Phoenix logo, a 'Report a Problem' button, and links for 'Documentation', 'Broadcasts', and 'Help'. The text 'rfaextapp01 - 226b06e68' is visible at the bottom.

Phoenix Provider Portal

Profile - Under the “Holidays” sub-tab, providers will display the holiday(s) that the agency will not be open.

Healthy Connections Prime Agreement

Summary

AGREEMENT FOR THE PREPARATION AND FILING OF HEALTHY CONNECTION PRIME CLAIMS.

Full Text

The South Carolina Department of Health and Human Services (SCDHHS) has entered into a contract with the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS) and four (4) Coordinated and Integrated Care Organizations (CICOs) for a demonstration designed to improve health care for dually eligible beneficiaries in South Carolina. The Demonstration is entitled Healthy Connections Prime. The CICOs are the claims processing entities under Healthy Connections Prime and require claims to be submitted into standard Professional claims format for processing.

Provider is enrolled with SCDHHS and one or more of the CICOs as a qualified provider of Home and Community Based Services (HCBS) and desires assistance in the coding and electronic submission of HCBS claims to the appropriate CICOs. SCDHHS operates a system (Phoenix) that captures data and translates HCBS claims into standard Professional claims formats for processing. The agreement between CMS, SCDHHS and the CICOs calls for the use of the Phoenix system to capture data and the Provider desires to have the Phoenix system translate its claims for transmittal to the CICOs for processing.

BY selecting the ACCEPT button below, Provider agrees to the following terms of use:

1. This agreement is effective as of the date submitted by Provider.
2. Provider will submit claims to SCDHHS using Phoenix.
3. SCDHHS will accept claims and translate them into standard Professional claims format acceptable to the CICOs.
4. SCDHHS will transmit the translated claims to the appropriate CICO or its designee.
5. This Agreement will automatically terminate with the termination of the Healthy Connections Prime program.
6. This Agreement is contingent upon the availability of federal, state, and local funds for the funding of services and shall be terminated if such funding ceases to be available. SCDHHS shall have the sole responsibility for determining the lack of availability of such federal, state, and local funds.
7. Either party may terminate this Agreement upon providing the other party with thirty (30) days written notice of termination.
8. In the event of any termination of this Agreement, the party terminating the Agreement shall give notice of such termination in writing to the other party. Notice of termination shall be sent by certified mail, return receipt requested. Termination shall be effective thirty (30) days after the date of receipt unless otherwise provided by law.
9. The Provider agrees to take all steps necessary to safeguard the use and disclosure of information regarding its patients in accordance with 42 CFR Part 431 Subpart F, SCDHHS regulations at 10 SC Code of State Regs §126-125 et seq. and any and all other state, and federal laws or regulations.
10. This Agreement is governed by the laws of the State of South Carolina both as to interpretation and performance.

The screenshot shows the Phoenix Provider Portal interface. At the top, there is a navigation bar with the Phoenix logo, an 'Inbox' icon, and the text '(EX0015) ACME Day Care - EX0015'. Below this is a menu bar with tabs: Dashboard, Profile, Users, Claim Entry (highlighted with a red box), Workers, Missed Visit, Reports, and Issues. The main content area is titled 'Provider Add Claim(s)' and shows the date '05/20/2018'. It prompts the user to 'Enter the claim information below.' and displays a table with two rows of claim data. The table has columns for Date of Service, Client, Service, Authorized Units, Available Units, Units, and Action. The first row shows a claim for 05/20/2018 for Client 9634071 (Mouse II, Donald) with Service Adult Day, 0 units, and a Save button. The second row shows a claim for 05/20/2018 for Client 9628134 (Gillespie, Dizzie) with Service Adult Day, 8 units, and a Plus button. Below the table, there are three buttons: Record Claims (highlighted with a red box and an arrow), Cancel, and Calculate Total Units (highlighted with a red box and an arrow). To the right of the Calculate Total Units button, the number 14 is displayed. Further right is an Add Claim button (highlighted with a red box and an arrow). At the bottom of the page, there is a footer with the Phoenix logo, a Report a Problem button, and links for Documentation, Broadcasts, and Help. The footer also includes the text 'rfaextapp02 - 226b06e68' and 'Copyright 2008 — 2018 South Carolina Department of Health and Human Services, Community Long-Term Care'.

Date of Service	Client	Service	Authorized Units	Available Units	Units	Action

Claim Entry Tab – From the Verify Claims screen, click “**Process Claims**” to finalize the claim entry.

Click “**Edit**” to change the Client # and/or Units.

Click “**Remove**” to delete the claim entry.

The screenshot shows the Phoenix Provider Portal interface. At the top, there is a header with the Phoenix logo and the text "phoenix". Below the header, there is a navigation bar with tabs: Dashboard, Profile, Users, **Claim Entry** (highlighted with a red box), Workers, Missed Visit, Reports, and Issues. Below the navigation bar, there is a section titled "Verify Claims". This section contains a table with the following columns: Date of Service, Claim, Client #, Client Name, Service, Units, Errors, and Action. The table has one row of data: 05/20/2018, New Claim, 9634071, Mouse II, Donald, Adult Day Health Care, 6.0, and Action. In the Action column, there are two buttons: "Edit" (with a pencil icon) and "Remove" (with a trash icon). Both buttons are highlighted with red boxes and arrows. Below the table, there are two buttons: "Process Claims" (highlighted with a red box and an arrow) and "Cancel Claims". At the bottom of the page, there is a footer with the Phoenix logo, a "Report a Problem" button, and links for Documentation, Broadcasts, and Help. The footer also includes the text "rfaextapp01 - 226b06e68" and "Copyright 2008 — 2018 South Carolina Department of Health and Human Services, Community Long-Term Care".

Reports Tab – Providers have access to run reports related to workers, authorizations, and billing activities.

Reports will be limited to the provider's workers, assigned participants, claims, and authorizations.

The screenshot shows the Phoenix Provider Portal interface. At the top, there is a header bar with the Phoenix logo on the left, an 'Inbox' icon in the center, and the text '(EX0015) ACME Personal Care - EX0015' on the right. Below the header is a navigation bar with several tabs: 'Dashboard', 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports' (highlighted with a red box), and 'Issues'. On the left side of the main content area, there is a sidebar titled 'My Templates' with a count of 0. Below this, there are links to 'Administration' (3), 'Claims' (22), and 'Nursing Facility' (1). The main content area displays a message: 'You don't have any recent reports. Run a new report from the menu on the left.' At the bottom of the page, there is a footer section with a 'Report a Problem' button, a 'Documentation' link, and a copyright notice for 2008-2018 South Carolina Department of Health and Human Services.

Report a Problem – From the **Report a Problem** screen, enter the information in the appropriate fields.

Provide a detailed comment in the comment section (submitting insufficient information could cause a delay in resolving the reported problem).

Click “**Submit**”.

The screenshot shows the 'Report a Problem' form in the Phoenix Provider Portal. The form is titled 'Report a Problem' and includes a navigation bar at the top with options: Dashboard, Profile, Users, Resolutions, Workers, Missed Visit, Reports, and Issues. The form fields are as follows:

- Category:** A dropdown menu with 'Narratives' selected. A red arrow points to this field.
- Client:** A text input field containing '0000025'. A red arrow points to this field.
- Occurred at:** A date input field containing '07/24/2018'. A red arrow points to this field.
- Comment:** A large text area containing the text: 'I entered the wrong date of contact on narrative. Please change the date of contact to 7/25/18.' A red box highlights this section.
- Submit:** A button at the bottom of the form. A red arrow points to this button.

The footer of the page includes the Phoenix logo, a 'Report a Problem' button, and links for 'Documentation', 'Broadcasts', and 'Help'. The text 'rfextapp01 - bb520459f' is also visible in the footer.

Phoenix Provider Portal

Report a Problem –

Technical issues regarding Phoenix, Provider Portal, Care Call, etc. can be reported by clicking the “Report a Problem” button.

The “Report a Problem” button is located at the bottom of every screen.

Phoenix Provider Portal

Report a Problem – Once completed, the reported problem will move to the “**Issues**” tab.

The Phoenix helpdesk will assign the issue to a state staff or developer for resolution.

The screenshot displays the Phoenix Provider Portal interface. At the top, there is a navigation bar with the Phoenix logo, an 'Inbox' link, and the text '(EX0015) ACME Personal Care - EX0015'. Below this is a horizontal menu with several tabs: 'Dashboard', 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports', and 'Issues'. The 'Issues' tab is highlighted with a red border. A blue notification box states: 'Your issue has been received and will be resolved as soon as possible. If you do not receive a confirmation email, please verify your email address in Phoenix.' Below this, a header indicates 'ACME Personal Care opened this issue on 08/23/18 @ 09:02 AM' with 'Issue #81' on the right. The main content area shows a timeline of the issue: 'Issue occurred at 07/24/18 @ 12:00 AM on Participant #25 (Columbia)', followed by a comment from 'ACME Personal Care' dated '08/23/18 @ 09:02 AM' stating 'I entered the wrong date of contact on narrative. Please change the date of contact to 7/25/18.' Below the comment is a status bar 'last updated 08/23/18 @ 09:02 AM'. At the bottom of the main area is a 'Comment on this issue' section with a text input field and a 'Comment' button. On the right side, there is a green 'Open' button, '1 comments', a 'Narratives' button, and the text 'No one is assigned'. The footer contains the Phoenix logo, a 'Report a Problem' button, and links for 'Documentation', 'Broadcasts', and 'Help'. A small identifier 'rfaextapp01 - bb520459f' is visible at the bottom center.

Phoenix Provider Portal

Issues Tab – Providers can view any issues that has been reported via “**Report a Problem**”.

Open issues can be viewed.

Issues can be sorted by (**Submitted**, **Updated**, and **Category**)

To view the issue(s), click the issue title.

The screenshot shows the Phoenix Provider Portal interface. At the top, there's a header with the Phoenix logo and the text "phoenix". Below the header, there's a navigation bar with tabs: Dashboard, Profile, Users, Resolutions, Workers, Missed Visit, Reports, and Issues. The Issues tab is highlighted with a red box. Below the navigation bar, there's a section for filtering issues. It includes buttons for "Open" (with a count of 1) and "Closed" (with a count of 0). There's also a "Sort:" dropdown menu with options: Submitted, Updated, and Category. The Submitted option is selected and highlighted with a red box. Below the filters, there's a list of issues. The first issue is "#74 CC Application was terminated in error." with a red arrow pointing to it. To the right of the issue title is a button labeled "Applications". At the bottom of the page, there's a footer with the Phoenix logo, a "Report a Problem" button, and a "Documentation" link with sub-links for "Broadcasts" and "Help". The footer also includes the text "Copyright 2008 — 2018 South Carolina Department of Health and Human Services".

Phoenix Provider Portal

Issues Tab – Staff/developers assigned to the issue may request additional information. Notification emails are sent whenever a change is made to the issue.

Be sure to check agency email(s) or the “**Issues**” tab to review the status of the reported issue (failure to respond to request for additional information could result in the issue be closed without resolution).

Providers can respond to state staff that are assigned to an issue by entering a comment and click “**Comment**”.

The screenshot displays the Phoenix Provider Portal interface. At the top, there is a navigation bar with a 'phoenix' logo on the left and an 'Inbox' icon on the right. Below the navigation bar, a horizontal menu contains several tabs: 'Dashboard', 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports', and 'Issues'. The 'Issues' tab is highlighted with a red rectangular box. Below the menu, the main content area shows the details for 'ACME Personal Care' with the title 'ACME Personal Care opened this issue on 07/19/18 @ 09:36 AM'. To the right of the title, it says 'Issue #74'. Below the title, there is a list of comments. The first comment is from 'ACME Personal Care' dated '07/19/18 @ 09:36 AM' with the text 'CC Application was terminated in error.' The second comment is from 'Roger Kinlaw' dated '07/19/18 @ 10:03 AM' with the text 'CC application has been re-opened.' The third comment is from 'ACME Personal Care' dated '07/19/18 @ 10:42 AM' with the text 'I also need the terminated PCII authorization re-opened. Thank you'. Below the comments, there is a section for 'Comment on this issue' with a large text input field. A red arrow points to a green 'Comment' button located below the input field. On the right side of the interface, there is a green 'Open' button, a '3 comments' indicator, and an 'Applications' button with the text 'No one is assigned' below it.

Phoenix Provider Portal

Issues Tab – Resolved/closed issues are moved to the “Closed” subtab.

To view the closed issue(s), click the “Closed” subtab

Click the issue title.

The screenshot shows the Phoenix Provider Portal interface. At the top, there is a header with the Phoenix logo and the text "phoenix". Below the header, there is a navigation bar with tabs: Dashboard, Profile, Users, Resolutions, Workers, Missed Visit, Reports, and Issues. The Issues tab is highlighted with a red box. Below the navigation bar, there is a subtab bar with "Open" and "Closed" tabs. The "Closed" tab is selected, indicated by a red arrow. Below the subtab bar, there is a list of issues. The first issue is displayed with its title "#81 I entered the wrong date of contact on narrative. Please chang..." and a red arrow pointing to it. The issue details show it was opened by ACME Personal Care on 08/23/18 at 09:02 AM and has 2 comments. At the bottom of the page, there is a footer with the Phoenix logo, a "Report a Problem" button, and links for Documentation, Broadcasts, and Help. The copyright notice at the bottom reads "Copyright 2008 — 2018 South Carolina Department of Health and Human Services".

Phoenix Provider Portal

Issues Tab – From the closed issue, providers can review the comments.

If the issue is still ongoing or unresolved, the creator can enter a new comment and click the **“Re-open”** button.

A notification will be sent to the state staff and provider that the issue has been re-opened.

The screenshot displays the Phoenix Provider Portal interface. At the top, there is a navigation bar with icons for Dashboard, Profile, Users, Resolutions, VWorkers, Missed Visit, Reports, and **Issues** (highlighted with a red box). Below the navigation bar, the header indicates 'ACME Personal Care opened this issue on 08/23/18 @ 09:02 AM' and 'Issue #81'. The main content area shows a timeline of events: 'Issue occurred at 07/24/18 @ 12:00 AM on Participant #25 (Columbia)', 'ACME Personal Care' comment on 08/23/18 @ 09:02 AM stating 'I entered the wrong date of contact on narrative. Please change the date of contact to 7/25/18.', and 'Roger Kinlaw' comment on 08/23/18 @ 09:27 AM stating 'Narrative date of contact has been changed to 7/25/18.'. A 'last updated' timestamp of 08/23/18 @ 09:27 AM is also present. On the right side, a red box indicates 'Closed within 24 minutes' and '2 comments'. Below this, a 'Narratives' section shows the issue is 'assigned to Roger Kinlaw'. At the bottom of the main content area, there is a 'Comment on this issue' section with a text input field containing 'I'm sorry, I made a mistake and the narrative date of contact should be 7/25/18.' (indicated by a red arrow) and a 'Re-open' button (highlighted with a red box and indicated by another red arrow). The footer includes the Phoenix logo, a 'Report a Problem' button, 'Documentation' links for 'Broadcasts' and 'Help', the text 'rtaextapp01 - bb520459f', and a copyright notice: 'Copyright 2008 — 2018 South Carolina Department of Health and Human Services'.

Phoenix Provider Portal

Issues Tab – The closed issue moves back to the “Open” subtab.

The issue goes through the resolution process again.

Broadcasts

John Long on 10/16/2012 12:00AM

Broadcasts, text size and your reported issues.

Broadcasts

Broadcasts are a new way for the Phoenix team to update you on recent changes to Phoenix. The major changes will be documented here while the [changelog](#) will still be used for all other changes.

When a new broadcast is available it will appear under the top banner as shown below.

alt text

Re-visiting broadcasts

When you want to re-visit a broadcast you can use the link in the new footer as highlighted in yellow below.

alt text

Note that you can also now access the [help](#), [changelog](#) and [known bugs/feature requests](#) sections with the new footer.

Text size

Users have noticed a few recent changes in font size across Phoenix. The default font size has been standardized but is smaller across the site. Above the top banner you will now find three buttons to either decrease your font size "A-", reset it to the default size "A" or increase your font size "A+".

alt text

The changes you make will persist across phoenix, however it will not persist across web/tablet modes. You will need to change your preferred font size in both modes. Some areas of Phoenix **will not adjust** to your text size by design, if you find a section that you think should have adjusted the text size please report a problem and let us know which section so we can look into it.

Your reported issues

When you report an issue/problem you are notified via email with a link to the issue to add more comments/update the issue. Now you can view your open issues and add more information directly from Phoenix via the "Issues" link in the top banner as highlighted in yellow below.

Phoenix Provider Portal

Emergency Events – In the event of a statewide/local emergency such as hurricanes, flooding, fires, etc., a notification will be sent to providers requesting your current status.

The provider administrator or staff that has access to the provider portal, will have the ability to update the emergency status for the agency.

Users will have an option to “**Update Emergency Status**” or “**Remind Me Later**”. Clicking “**Remind Me Later**” will close the message and the user can navigate through the provider portal as normal. The Emergency Status message banner will keep appearing until someone from the provider agency updates the emergency status.

Phoenix Provider Portal

Emergency Events – If the provide clicks “Remind Me Later” button, then portal dashboard will be displayed. A **Red** banner will be present alerting the user about the emergency event and that the provider’s status has not been updated.

Click “Update Emergency Status”

The screenshot shows the Phoenix Provider Portal interface. At the top, there is a header bar with the Phoenix logo on the left, an 'Inbox' button in the center, and the text '(EX0015) ACME Personal Care - EX0015' on the right. Below the header, a prominent red banner displays the message 'Emergency: EMERGENCY - BAD WEATHER'. To the right of this banner is a button labeled 'Update Emergency Status', which is highlighted by a red arrow. Below the banner, there is a navigation bar with several tabs: 'Dashboard', 'Profile', 'Users', 'Resolutions', 'Workers', 'Missed Visit', 'Reports', and 'Issues'. Underneath the navigation bar, there is a section for 'Notifications' with sub-tabs for 'Terminations', 'Pendings', 'Authorizations', and 'Requests'. The main content area below this section states 'There are no notifications.' At the bottom of the page, there is a footer area containing the Phoenix logo on the left, a 'Report a Problem' button in the center, and a 'Documentation' link on the right. The footer also includes the text 'rfaextapp01 - bb520459f' and 'Copyright 2008 — 2018 South Carolina Department of Health and Human Services'.

Phoenix Provider Portal

Emergency Events – A description of the emergency will be displayed along with the “**Counties Affected**” and “**Services Affected**”

Users will select/enter

1. **Status** (open, closed, modified, evacuated)
2. **Emergency Contact Name**
3. **Emergency Contact Phone Number**
4. **Comment** (If necessary)

Click “**Save**”

Emergency: EMERGENCY - BAD WEATHER

Emergency: EMERGENCY - BAD WEATHER

It has been reported that might affect parts of South Carolina. In order to assess whether or not participants enrolled in SCDHHS programs will be served as authorized, you are asked to update your emergency status daily. You can indicate if you are open, closed, or working on a modified schedule or service area. You also need to add emergency contact information. You can use the comment box to indicate any modifications and your ability to provide service.

Counties Affected

Abbeville, Aiken, Allendale, Anderson, Bamberg, Barnwell, Beaufort, Berkeley, Calhoun, Charleston, Cherokee, Chester, Chesterfield, Clarendon, Colleton, Darlington, Dillon, Dorchester, Edgefield, Fairfield, Florence, Georgetown, Greenville, Greenwood, Hampton, Horry, Jasper, Kershaw, Lancaster, Laurens, Lee, Lexington, McCormick, Marion, Marlboro, Newberry, Oconee, Orangeburg, Pickens, Richland, Saluda, Spartanburg, Sumter, Union, Williamsburg, and York.

Services Affected

Adult Day Health Care, Care Coordination, Case Management, Companion - Agency, Enhanced Nursing Service (RN), Meals - Standard/Modified, Medicaid Nursing Service (RN), Nursing Facility, and Personal Care II.

Status: closed

Emergency Contact Name: Dan Handy

Emergency Contact Phone Number: 803-999-9999

Comment (NO PARTICIPANT IDENTIFYING INFO!): Our office will be closed due to the hurricane.

Phoenix Provider Portal

Emergency Events – The Emergency Events banner changes from **Red** to **Green** once the provider's status has been updated.

If the emergency is more than one day, the provider will need to update their status each day the emergency event is active.

Daily changes for affected counties and/or services will determine whether a provider will need to update their status.

For example, An emergency event was active for Sumter and Clarendon counties on 7/1/18. The providers for both counties will receive the emergency event alert. On 7/3/18, the emergency event was active for Clarendon county only. Providers in Sumter county will no longer see a emergency event alert; however, providers in Clarendon county will still see the emergency alert. Providers in Clarendon will continue to update their status.

The emergency events banner will disappear once the event has ended.
