

Case Management Training

Personal Care and Nursing Collapse Primary Caregiver Policy

Office of Waiver and Facility Services
June 22, 2023 and June 27, 2023

Personal Care Service

- Effective **July 1, 2023**, Personal Care I and Personal Care II services will be consolidated into Personal Care Service.
 - All tasks provided in Personal Care I and Personal Care II services will be maintained in the new Personal Care Service.
 - The rate will be the current Personal Care II rate.
- Phoenix Changes: Phoenix is set to automatically issue new authorizations as of **July 2, 2023**, for the new Personal Care Service.
 - Current combined authorized hours for Personal Care I and Personal Care II will automatically be the total number of hours authorized for Personal Care Service.
 - Case managers will re-assess participants during the annual re-evaluation process to determine if current service levels remain appropriate and make necessary changes at that time.
 - Personal Care I will no longer be available for referral or authorization.
 - Service Plans will be updated to combine Personal Care I and Personal Care II to Personal Care Services.

Personal Care Service

- EVV Changes

- Personal Care I and Personal Care II will be disabled. Workers will not be able to clock in for those services.
- Personal Care Services will be the service aides use to clock in.
- Personal Care Services and Companion services can be clocked in at the same time.
- A 30-day grace period will be given for resolutions that are a result of verified system issues. Providers will enter “Care Call was not available” as the resolution reason.

Personal Care Service

- CLTC Provider Manual Policy changes:
 - All references to Personal Care I will be removed from policy – including deletion of Personal Care I scope.
 - All references to Personal Care II will be updated to Personal Care Service.
- Scopes Changes by Page:
 - P. 1: Clarification of administrator/owner qualifications.
 - P.2:
 - Added sentence about providers must log into Phoenix/Therap daily.
 - Updated reference for section one to Provider Administrative and Billing Manual.
 - Added some clarifications for electronic record keeping.
 - P. 5: Addition of limited assistance in financial matters and communication brought over from Personal Care I scope.
 - P. 10: CNA registry link updated.
 - P. 13: DDSN requirement for supervisory visits to be arranged in consultation with DSN Board has been removed.
 - P. 14: Added that case managers must be notified when report of abuse, neglect or exploitation has been made to the appropriate authority.
 - P. 17: Added that CPCA can be provided in the participant's place of residence and/or in the community.

Personal Care Service

- Community Choices Waiver Manual Chapter Seven
 - Personal Care I section deleted.
 - Personal Care II updated to Personal Care Services.
 - P. 62:
 - Example updated to remove supervision example.
 - Changed “need for respite” to “need for assistance with care.”

Nursing Service

- Medicaid Nursing RN and Medicaid Nursing LPN will be consolidated into Nursing Service. The Nursing Service rate will be the current Medicaid Nursing RN rate.
- Enhanced Nursing RN and Enhanced Nursing LPN will be consolidated into Enhanced Nursing Services. The Enhanced Nursing rate will be the current Enhanced Nursing RN rate.
- Providers will determine whether an RN or LPN is needed based on the assessed needs of the participant and what is allowable under the scope of practice dictated in [SC Nurse Practice Act Title 40 Chapter 33](#).

Nursing Service

- Phoenix Changes:
 - Phoenix is set to automatically issue new authorizations as of **July 2, 2023**, for the new Nursing Service or Enhanced Nursing Service.
 - Current authorized hours for Medicaid Nursing RN and Medicaid Nursing LPN will automatically be the total number of hours authorized for Medicaid Nursing Service.
 - Current authorized hours for Enhanced Nursing RN and Enhanced Nursing LPN will automatically be the total number of hours authorized for Enhanced Nursing Service.
 - Case managers will re-assess participants during the annual re-evaluation process to determine if current service levels remain appropriate and make necessary changes at that time.
 - Service Plan will be updated with Nursing Services and Enhanced Nursing Service.
- EVV Changes
 - Medicaid Nursing RN, Medicaid Nursing LPN, Enhanced Nursing RN and Enhanced Nursing LPN will be disabled **July 2, 2023**, so workers will not be able to clock in for those services.
 - Nursing Services or Enhanced Nursing Services will be the service nurses will utilize to clock in effective **July 2, 2023**.

Additional CLTC Provider Manual Updates

Nursing Service

- CLTC Provider Manual Policy Changes
 - Scope of Services
 - P.3: Additional training requirements changed to be only for those who are servicing participants with these conditions.
 - Tracheostomy
 - Mechanical Ventilation
 - Gastric or Jejunostomy tubes
 - Indwelling catheters
 - P.5: While RN supervisor will continue to determine the frequency of nurse supervisory visits for nursing participants, they can be no less frequent than every 90 days.

Attendant Care Policy

- CLTC Provider Manual Policy updates:
 - P. 1. Attendants must demonstrate an ability to read, write and communicate effectively with participant and employer of record.
 - P. 6: Additional guidance for making every possible effort to find additional caregivers for attendants who are authorized to provide more than 40 hours.

Primary Caregiver Policy

- For Self-Directed Attendant and Individual Companion Care ONLY, the primary caregiver policy will be updated to the following:
 - Attendant may be related to participants served by the agency within limits allowed by the South Carolina Family Caregiver Policy. The following family members cannot be a paid caregiver:
 - A parent of a minor Medicaid participant.
 - A stepparent of a minor Medicaid participant.
 - A foster parent of a minor Medicaid participant.
 - Person who has the legal responsibility of utilizing their own assets for the care of the Medicaid participant (legally responsible adults).
- Please note that this does not affect agency services (Personal Care Services, Children's Personal Care Services, Nursing Services, Enhanced Nursing Services, Companion Agency Services).

Primary Caregiver Policy

- Legally responsible adults are still prohibited from providing services.
- Legally responsible adults are defined as those who are court-ordered to utilize their assets for the care of Medicaid participants.
- Court documents will have to be reviewed to ensure legal guardians, power of attorneys, spouses, etc. have not been given that legal responsibility. A service ticket must be submitted by area office staff to request review of paperwork to ensure it does not make them a legally responsible adult.

Primary Caregiver Policy

- Effective July 1, 2023, newly hired personal care aides or nurses will follow the existing Primary Caregiver Policy which states:
 - The following family members cannot be a paid caregiver:
 - The spouse of a Medicaid participant (including married but separated).
 - A parent of a minor Medicaid participant.
 - A stepparent of a minor Medicaid participant.
 - A foster parent of a minor Medicaid participant.
 - Any other legally responsible guardian of a Medicaid participant.
- Legally responsible persons and/or relative/legal guardians, as well as parents of minor children who have been granted exceptions due to Appendix K, will receive further communication on the change before they will be expected to revert to policy.

What do you need to do to prepare for the transition?

Actions Required by CMs: Verification of Residential Address

To ensure there are no issues with electronic visit verification check-in/out, waiver case managers must review their caseloads to determine that participants have the “Residential Address” checkbox marked next to the address where the participant currently resides.

Tasks need to be completed before 5 p.m., June 27, 2023

The screenshot displays the 'Addresses' tab of a participant information system. The form includes the following elements:

- County:** Marion
- Location Density:** Rural
- Moving to SC (clear):** Radio buttons for Yes and No.
- Street 1:** [Redacted]
- Street 2:** [Redacted]
- City:** Marion
- State:** SC
- Zip:** 29571
- Directions:** [Redacted]
- Address Type Selection:**
 - ☒ Present Location
 - ☒ Mailing
 - ☒ Residential Address (highlighted with a red circle and a yellow arrow)
 - ☐ Previous
- Status Indicators:** geocoded (green) and locked (orange).

Actions Required by CMs: Authorized Units

Case managers must ensure that units authorized for the following services do not exceed prior authorization in the current service plan:

- Personal Care I
- Personal Care II
- Medicaid Nursing RN
- Medicaid Nursing LPN
- Enhanced Nursing RN
- Enhanced Nursing LPN

Central office/area office staff may reach out with a list of participants whose authorized units exceed prior authorization. Case managers should respond within **one business day** of receiving this request.

Actions Required by CMs: Service Plans/Authorizations

- **Prior to 4 p.m., July 1, 2023**, CM/CM providers must complete all open service plans (in cooperation with CLTC area offices).
- **Prior to 4 p.m., July 1, 2023**, CM/CM providers must make certain that all referrals and authorizations for personal care and nursing services have been either accepted or declined.
- For the time period **after 4 p.m., July 1 and prior to 8 a.m., July 3, 2023**, users must not enter any authorizations for old services or new services. **Newly consolidated services can be authorized after 8 a.m. July 3, 2023.**
